

## THIRUMURUGAN MURUGESAN

**WEB DEVELOPER** I have nearly 2 years of experience in web development, working with technologies such as HTML, CSS, JavaScript, SQL, and WordPress, and have expertise in SEO.

I possess strong problem-solving skills and a detail-oriented approach, with a proven track record of establishing strong client relationships and fostering teamwork.

I am seeking a challenging, supportive, and responsible organization where I can grow my skills while making meaningful contributions to the organization.
